

February 2023 - Term 3

School of Sanctuary Award

At the end of January we were re-awarded our Schools of Sanctuary status and were presented an award from Councillor Asher Craig, the deputy mayor.

Both the Family Support Team and EAL Team worked extremely hard to achieve this award and we are proud of the work that they have done. We are one of just 350 schools to hold this award.

The award is presented to schools who:

- foster a culture of welcome and safety for people seeking sanctuary, including asylum seeking and refugee families,
- educate the whole school community about the human right to sanctuary, and
- build empathy and intercultural awareness through promoting the voices and contributions of people seeking sanctuary, encouraging an understanding of the experiences of displaced people and helping to combat stereotypes.

Important Dates

Term 3

Wednesday 4th January to Friday 10th February

Term 4

Tuesday 21st February to Friday 31st March

Finish at 11.45am

Online Mental Health and Wellbeing Support for young people

Dear Parents/Carers

Over the coming weeks your child may mention they have been made aware of a service called Kooth. It provides a safe, secure means of accessing online emotional health support from a professional team of qualified counsellors and emotional wellbeing practitioners for ages 11 - 18.

Kooth offers wellbeing support 365 days a year via a range of self-help materials and peer to peer support which young people are able to contribute to. Kooth also has an online wellbeing team from 12pm - 10pm on weekdays and 6pm - 10pm on weekends offering 1:1 text - based online counselling via live chat or messaging.

Kooth is free to access via any internet - enabled device. Your child simply needs to visit www.kooth.com and click 'Join Kooth'. Everything is pre -moderated and age appropriate, in order to safeguard our users, so you know that what your child is accessing is safe.

Kooth will be working with all schools and professionals across 93% of the UK and growing to support students' mental health and wellbeing, both in and out of school. Alongside this, Kooth provides parent sessions, so keep in touch with the school or agencies to find out when the next ones are. I have pre recorded 2 sessions for you to watch. The 5 minute overview can be found [Here](#) and a more in -depth 15 minute recording can be found [Here](#). I have also included a selection of parent/Carer resources that can be accessed using this link: [Parents/Carers resources](#)

If you have any questions or would like to discuss what Kooth.com can offer, please address them to the school. If you would prefer to contact Kooth directly, simply email parents@kooth.com.

Kind Regards

Kooth Engagement Team
