Learn about Somali Nomadic Weaving with Dhaqan Collective

Dhaqan Collective is led by Ayan Cilmi and Fozia Ismail. Our practice asks and seeks to find ways of building imaginative futures that support Somali people here and in East Africa to resist the threats over our cultural heritage. Our creative ecology is rooted in the collective thinking of Somali nomadic life and the creativity at its heart.

Two more session on Wednesday 31st January and Wednesday 7th Feb. Session will start from 1.30-2.25

Nuclear engineer comes to CAB

CAB alumni and nuclear engineer Sunchi Chen came to speak to our triple scientists about what it is like to work in STEM and the work she does with nuclear fusion. Sunchi left CAB in 2012 and was pleased to be back to speak to and inspire our students.

Yr 11 students visit UWE

The students took part in workshops, learnt about the university application process, and met UWE Student Ambassadors who showed us around, giving us an insight into life on campus. The day ended with a Q&A session where we had the chance to quiz current UWE students about their experiences.

A message from the CLF Governance Team

A message from the CLF Governance Team

If you have ever considered volunteering within your community, working with and contributing to one of our CLF Academies could be one of the most rewarding things you ever do. If you have the desire to improve children's lives and outcomes, are passionate about the importance of education to change lives for the better then this could be the role for you.

I cherish the role I play in children's education; I live and work within my local community and feel everyone's contributions, no matter how small, can make a real difference to a child's life. As a Councillor I have the opportunity to shape the lives of children and therefore shape the community and society I live within. It is a really rewarding role.

Education is not just about the academic work that children undertake; it is a time when children develop their life skills creating the young adults that join our society; as Councillors we have a chance to help shape their lives and give them opportunities they may otherwise never have.

If you have an enquiring and challenging mind, put it to use and help shape the educational direction of the academy.

As a Councillor, I have had the opportunity to undertake professional roles outside of my own everyday remit and develop a diverse range of skills that are transferable to other areas of my professional life. I would highly recommend a role as an Academy Councillor within the Cabot Learning Federation; the training and opportunities are invaluable, joining really can make a difference.
