

September 2022 - Term 1 - Welcome back!

Bristol Old Vic Performance

Another Shallowford Farm Success!

ParentPay

Thank you to all the parents who have signed up to Parent Pay. We need all parents to sign up, even if your child doesn't have school meals or receives free school meals. This is because not only is this a payment system for things such as meals, snacks and trips, it will also become the main way in which we communicate to parents, so you must have an account to receive communications from school. Soon, all our whole school and year group communication will be sent out via Parent Pay and put on our website.

Students will no longer be able to 'top up' their accounts using cash either, so it is really important to have an account.

If you have not signed up, and need a copy of the login details for your child, please email cabinfo@clf.uk or call us on 0117 9413800 or ask your child to collect a copy from reception.

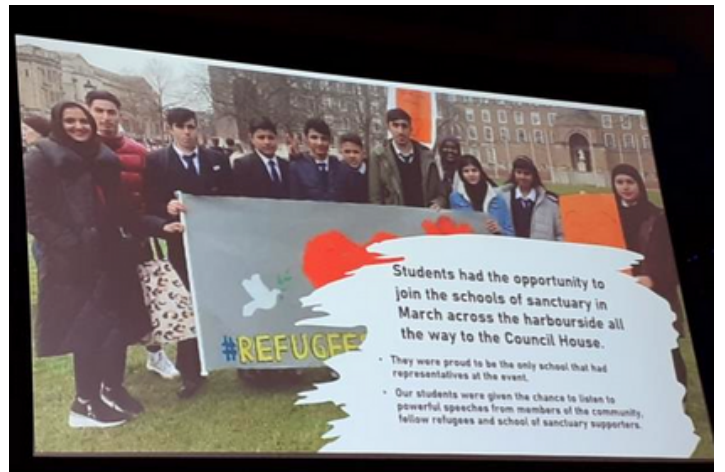

Following the success of the last trip to Shallowford Farm in March, we were invited by the Ernest Cook Trust to return to Shallowford Farm with a new group of students as part of their Outdoor Learning Programme. Students stayed for 5 days in Dartmoor taking part in several different activities that follow the National Curriculum including science, maths, catering, ecology, geology and geography. Students had a fantastic time learning new skills and having a great team building experience.

CAB Showcased at Bristol University

Mr Tucker and Ms Mitha were keynote speakers last week at a major conference organised by Bristol City of Sanctuary. The event was held in the Great Hall at Bristol University's Wills Building, and was attended by a wide range of dignitaries including the Mayor, Lord Mayor and High Sheriff. They spoke about the amazing work that the Academy does to support sanctuary seeking and other students who are newly arrived in the City. This included highlighting our EAL Stars programme, our welcoming tailored induction, and all the cultural event celebrations organised by the Parent Engagement Team. Many people approached afterwards to try to build partnerships with us.

REACT: REVEALED

Set against the backdrop of an uprising, following an incident involving a young man in police custody that stuns the nation, REVEALED is written by renowned actor and emerging playwright Daniel J Carver (Royal Shakespeare Company, Belgrade Theatre). A family, united in race, united in blood, divided by belief. Daniel J Carver's REVEALED centres an inter-generational family in Birmingham responding to the world around them.

WHAT IS REACT? • Pre-show performances • Post-show discussions

REACT is a night made by young people for young people. A night of art, poetry, music, theatre and debate that centres on the themes of our production, REVEALED.

In the entanglement of the family ties, we as youths are told to listen, listen to those 'wiser' than us and who know better than we do.

But can we listen if we are not heard?

REACT returns to the Tobacco Factory Theatres to reflect on the themes and ideas presented in REVEALED as we reconsider the acts of our loved ones. Join us in the untangling of the nuances within the family ties by engaging with your opinions in the pre-show performances and post-show discussion.
