

November 2022 - Term 2

An Autumn

Gathering

Around 25 adults, 9 CAB students and 16 toddlers attended the Autumn event on Thursday 13 October 2022. The event was funded by Eastside Community Trust with the purpose of bringing communities together post covid and it certainly achieved that! Delicious, vegan, hot

food was provided by CAB chef Adam, and new fruit trees and bulbs were planted by many different sized hands. It was a glorious Autumn day and we now have 3 new varieties of fruit tree to tend together, harvest and enjoy for years to come. One resident members of the allotment made a cake out of apples harvested from one of the allotment trees. As well as resident members who have plots at the allotment, other visitors included CAB and ECCC staff, including Mr Tucker.

Parents picking up their children from Easton Nursery popped in, had a dance, ate some food and enjoyed the site too. Some of the little ones helped plant the new trees, giving them a nice layer of compost to help them establish. There was also a "Fire Cider Vinegar" workshop to make a "winter medicine" which is very spicy and included horseradish grown on the allotment as well as other hot, spices like ginger and garlic.
