

Catering - Year 6 Transition

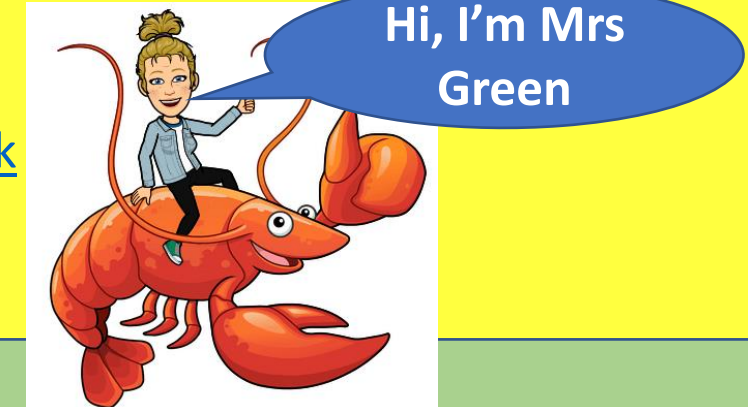

Making a food monster

Why are we doing this?

To learn about food presentation and how to make it look fun

How are we doing it?

1. Get permission from an adult to raid the cupboards and to use a knife
2. Look in your cupboards and see what is in there is that inspires you
3. Wash your hands and wipe down surfaces
4. Make sure you have something that can be the monster's eyes- olives, peas, marshmallows etc.
5. How is the mouth going to be made? Does it need a tongue/horns etc? Do you need cocktail sticks ?
6. Sketch a quick picture if you need to
7. Get chopping
8. Take a photo on your/someone's phone and email me Emily.Green@clf.co.uk
9. Have a great summer and see you in September 😊

Equipment

Knife
Board
Maybe some cocktail sticks
Your imagination

Ingredients

Whatever you can get your hands on- ask permission first
