Dear Parents & Carers

## Barton House

You may have seen in the news that residents of Barton House were asked to evacuate their homes last night due to concerns about the structural safety of the building.

Some of our students have been affected by this, and we are offering support to these families.

As part of our commitment to our community, we have also agreed to act as an overnight rest centre for the residents of Barton House who have not received alternative housing. This has been carefully organised by our facilities team and Bristol City Council.

There will be no access for the people using the facility into the main school grounds whilst the school day is running, so there will be no disruption for your children.

I am proud that we can offer this help to our community, please let us know if you have any concerns.

## Late

We are really keen to support parents and carers in ensuring that students are on time to school.

If you need any support, please contact our attendance team.

If your child is late to school, they will be issued a break time detention unless there is a reason that couldn't have been avoided.

From next week, we will inform you by text message if your child has been late to school.
