## Careers Education support for year 11

### Year 11 one to one meetings with FutureSmart advisors

This term all of our year 11 students will receive a one to one appointment with a careers advisor from FutureSmart. Many students have already had an appointment and have found this very useful. Each student will be given an action plan which they can share with you at home which will help them plan for the future.

### Open to Options Careers Event

We are holding our annual year 11 Open to Options Careers Event next week on Tuesday 26<sup>th</sup> November. We have a variety of local employers and educational advisors attending this event to inspire our students.

### Assemblies

Over the last two terms students have received a number of assemblies from our local further education providers. This has been an opportunity to listen to all the options that are available to them for September next year and ask any questions. It is paramount that students are on time to assembly on Fridays.

### Sixth Form and College Applications

After our event on Tuesday we would encourage all students to apply to all sixth forms and colleges that are interested in. They would have received a lot of support in order to do this. It is important that they are aware of any deadlines that these providers have and that they don't miss the deadline.

If you or students have any questions please contact the Year 11 Team or Miss Martin – [Rachel.martin@clf.uk](mailto:Rachel.martin@clf.uk)

## Breakfast club – 07:45 – 08:25am

A reminder that all students are welcome to come into school from 07.45-8.25am for breakfast club where we offer a free breakfast of bagels and cereals. There is no need to book. There are also cooked breakfast items to purchase if desired.
