

29<sup>th</sup> April 2024

Dear Parent/Carer,

### NEU industrial action at City Academy

I am writing to confirm that I believe that strike actions planned by members of the NEU at City Academy will go ahead tomorrow, Tuesday 30<sup>th</sup> April and on Wednesday 1<sup>st</sup> May.

I wrote to you on Friday with some information about the nature of the dispute. While I feel confident that concrete proposals were discussed with NEU reps on Friday, at the time of writing, NEU reps are yet to formally respond to our offer, and their planned strike is still scheduled to go ahead.

Despite this action, **I can confirm school will remain open to all year groups**. All students should therefore be in school as normal – do please ensure your child attends.

I will continue to keep you updated as the situation evolves, and in the meantime will continue to work in good faith to bring this matter to a close. Your support for our school during this time continues to be appreciated.

Yours Sincerely

Ben Tucker, Principal
