Dear Parents & Carers

Academy Council

Are you a parent/carer who wants to help the Academy to become outstanding?

As part of a Multi-Academy Trust, City Academy has a Board of Governors at Trust level, but at school level, we have an Academy Council. Our role is to hold the Principal and Senior Leadership to account, and to provide the right level of support and challenge to assist school improvement. There are also a few statutory obligations, so we have to monitor the effectiveness of safeguarding, SEND (Special Educational Needs and Disability), Health and Safety etc. We are an effective, but friendly and inclusive, Council, and we need a second parent councillor to bring the views of parents into the decision making.

If you are interested in standing then please complete the form. You can do this either by using this link <https://forms.office.com/e/MDk9d7W4gi> or by completing a paper copy which is available from reception.

You don't need to have educational experience, but need to be reliable, willing to read reports, and able to attend at least 5 evening meetings a year. If you would like to talk about the role a bit further, do get in touch with me, and we can talk it through Ruth.Pickersgill@guest.clf.uk

We look forward to hearing from you, Ruth Pickersgill, Chair of Academy Council
