## Uniform

Thank you for your support in ensuring our students are meeting our high expectations about school uniform. We wish to continue to build a culture where all students take pride in their presentation to show they are ready for their day of learning. To clarify, full school uniform students require is as follows:

- **City Academy Tie**
- **City Academy Black Blazer**
- **White shirt/blouse** – can be purchased anywhere
- **Black Trousers or skirt** – can be purchased anywhere
- **Black shoes (Not trainers)** – can be purchased anywhere

### Ties:

We have chosen to offer a new design of school tie, which is a clip on, to make it easier for our students. This will be available to buy from school reception from September. Please note that current students do not need to purchase this tie, they can continue to wear their current tie, unless you choose to buy one of the clip-on ties. New Year 7 students will be required to buy a clip-on tie in September.

### School blazers:

Coming to school in a blazer (with the Academy logo) will be a uniform requirement from September 2022. The blazer must be purchased from Price & Buckland – they cost between £26 and £31.20. More information is provided on their flyer at the end of this letter. *Price & Buckland* strongly advise that you order blazers by Monday 1<sup>st</sup> August so it arrives in time for September. They are also offering free delivery on orders over £50 until 24<sup>th</sup> July.

# HOW TO MEASURE YOUR CHILD

Price & Buckland Schoolwear has been created with the growing child in mind and for a comfortable fit. It is generous in size and durable.

We always recommend checking your child's measurements before buying by using our top tips to ensure the best fit.

## 1 HEIGHT

Without shoes, with the back against the wall place feet together flat on the floor. Measure from the top of the head to the ground.

## 2 NECK

Measure around the base of the neck where the shirt collar would normally sit. Leave a little room for comfort.

## 3 CHEST

Measure the chest at the fullest part placing the tape close up under the arms.

## 4 WAIST

Measure around the natural waistline, at the narrowest part. Leave a little extra room for comfort.

## 5 HIPS

Standing straight, with heels together, measure around the fullest part.

## 6 INSIDE LEG

In bare feet take the measurement from the top of the inside leg to the floor.
