

1st September 2021

Dear Parents and Carers

Covid Testing of students

Thank you to all the parents who have consented for their child/ren to be tested for Covid 19. The timings are shown below for each year group. **If you have given permission for your child is being tested, they need to come to the Sports Hall anytime within the given time slot shown below.** Your child will be given a registration card to bring home, to allow you to register their test and receive their official result. However, we would call you straight away, should a test come back as positive.

Testing is not compulsory, if you prefer to carry out tests at home, you are welcome to do this. Only students with parent permission will be able to take part in onsite testing.

Please also note that Public Health England have confirmed that anyone who has tested positive for Covid 19 in the past 90 days, should NOT undertake a lateral flow test.
