

Friday 9th July 2021

Dear Parents and Carers of Year 8 Students

I am writing to inform you that one of our Year 8 students has tested positive for Covid 19. We are taking the highest precautions and following the national guidance and the advice from our local Health Protection Team.

This afternoon we identified which students may have been in close contact with the student who tested positive when they were last in school on Wednesday and/or Thursday.

We have identified that your child may have been contact with the affected student in school. **Therefore, your child needs to self-isolate** and stay at home and not come into contact with anyone outside of your household, until the end of the day on Sunday 18th July. Your Year 8 student can return to school on Monday 19th July.

There is no need for other family members to isolate unless someone in your household develop symptoms. Please be assured we are continuing with our strict hygiene measures with enhanced cleaning throughout the building, including disinfectant fogging the entire building every day.

The main symptoms of coronavirus, given on the NHS website <https://www.nhs.uk/conditions/coronavirus-covid-19/symptoms/> are shown below and most people with coronavirus have at least 1 of these symptoms:

- *a high temperature – this means you feel hot to touch on your chest or back (you do not need to measure your temperature)*
- *a new, continuous cough – this means coughing a lot for more than an hour, or 3 or more coughing episodes in 24 hours (if you usually have a cough, it may be worse than usual)*
- *a loss or change to your sense of smell or taste – this means you've noticed you cannot smell or taste anything, or things smell or taste different to normal*

There will be work set for your students available via the Assignments tab of Microsoft Teams. Microsoft Teams can be accessed here: <https://navigator.clf.uk/cab/students/> If you need any IT equipment to access this, please all reception.

If your child is entitled to free school meals and has to self-isolate you may be entitled to a one-off payment from the government. For more information click on this link - <https://www.gov.uk/test-and-trace-support-payment>

I understand that this can be an anxious time for many and I appreciate your ongoing support.

Best wishes

Jon Angell, Principal, City Academy
