

5th March 2020

Dear Parent /Carer,

We understand that many of you could be feeling worried about the current situation regarding the spread of COVID19 (Corona Virus). We like to assure you that at the time of writing we have no reported cases of any student or staff member diagnosed with the virus (COVID19) in any of our Academies.

This is a fast changing situation and we would like to assure you we are following in full the available government guidance. We monitor this guidance at regular points every day for any changes.

All Academies within the Federation are working together sharing information and being as proactive as possible. On the 13th February we created a web-page for all academies that provides up to date information, guidance and even online awareness training for our school communities.

The department for Education launched a new helpline to answer questions about Corona Virus (COVID 19) related to education.

You can contact the helpline;

- Phone 0800 046 8687
- Email DfE.coronavirushelpline@education.gov.uk
- Opening hours 8am to 6pm (Monday to Friday)

The advice is very clear in response to a suspected (or confirmed) COVID 19 case that no academies should close unless directed to do so by Public Health England.

We are monitoring closely and If the situation changes, we will update staff and parents via our normal communication routes.

Best wishes

Jon Angell, Principal

Pride, Grit and Team Spirit
