Dear Year 6 Students,

Congratulations on being offered a place at City Academy. We are so pleased you have chosen our school for the next chapter in your education.

My name is Miss Leat and I am the Pastoral Leader for students in Year 7 and Year 8. Your Head of Year for Year 7 is Ms Bailey, and we will be working together to ensure that you reach your full potential and supporting you through your first year and beyond at City Academy.

I am writing to you to introduce myself and give you an idea of what will be available for you to access in the next few weeks to help with the transition from primary to secondary school.

In this very uncertain time, we understand that you might be feeling a little nervous about school, especially when some of you may not have been attending school due to Covid 19. Please remember that there are many children across the country in the very same situation and it is something that we have never had to go through before. The staff at City Academy are looking forward to meeting you and we will be helping to make the transition for you to year 7 as smooth as possible.

Over the next few weeks we will be sending you some activities to introduce you to different areas of City Academy. These will be available for you on the City Academy website <https://cityacademybristol.clf.uk/year-6-transition/> There will be a virtual tour of the school, a taster of City Academy lessons from a range of different subjects, a 'meet key staff' document and a quiz.

In the meantime, if you have gone back to school – enjoy! We are very excited to meet you all in the near future.

Parents/Carers - if you haven't already done so, please can you ensure that you have filled in and returned the data collection form available online here:

If you have any queries over this please contact Maxeena.Grice@clf.uk

Please take care and stay safe.
