

Hi everyone,

It is really strange not meeting you all in school. We're looking forward to meeting you and getting to know you. We also want to tell you some things about ourselves and what we like to do.

In this pack you will find some cartoon pictures of us. We would like to share some adventures with you.

Cut us out and let us in with your activities!

Please take some photos or draw some pictures of what we get up to. Please bring them with you when you join us in CAB+.

We will use these pictures to make a display.
