

18th September 2020

Dear Parents and Carers,

I have continued to be impressed by the way in which our students have adapted to our new routines and their zest for learning. I wanted to take this opportunity to update you on a few areas as follows:

Zoom meeting for Parents with Jon Angell

I will be hosting a virtual meeting that all parents are welcome to join. It will be on Wednesday 23rd September at 6pm.

If you wish to join the meeting, please visit <https://cityacademybristol.clf.uk/news/> where you will see the link to join.

If you have any questions that you would like me to answer, I'd appreciate if you can email them to CABinfo@clf.uk to help the meeting run as efficiently as possible.

Communication with Parents

We currently put our school letters onto our website and text a link to parents. This relies on us holding up to date mobile phone numbers for you. If you are not receiving regular texts from us, please ensure you give us your up to date mobile number/s by emailing CABinfo@clf.uk with your child's name, your name and your up to date mobile number.

We are aware of some year 7 parents where we need further information for our system, and have sent data forms to those parents – please return these to the school office as soon as possible so we can ensure you receive our texts to parents.

We are currently looking at rolling out a new parent pay and communication system which we hope will improve our communication with parents. We will send details of how to access this as soon as possible.

Year 10 GCSE Information Evening

We are postponing this event, we will let you know the new date as soon as it is confirmed.

Year 7 Settling in – meetings with Learning Facilitators

We will be sending a letter to Year 7 parents next week, with details of a Learning Review week, where you will be able to make a virtual appointment with your child's Learning Facilitator during the week of 5th - 9th October.

Best wishes
