

Dear Year 11 Parent/Carer,

Continued Full-Day Attendance for Year 11 Students

As we approach the final stages of the academic year, I would like to take this opportunity to thank you for your ongoing support throughout your child's GCSE journey. This is a crucial period for our Year 11 students, and we are committed to ensuring they are fully prepared for their upcoming exams.

To support this, we are offering a programme of bespoke lessons and targeted revision sessions every day, tailored to meet the specific needs of our students. These sessions have been carefully planned by subject teachers and are designed to reinforce key content, fill any knowledge gaps, and develop effective exam strategies.

With this in mind, it is vital that students continue to attend school for the full day. Every session counts, and sustained attendance will ensure your child has the best possible chance of success. Students who miss these sessions may be at a disadvantage compared to their peers.

We appreciate that this is a busy and sometimes stressful time, but we strongly urge all parents and carers to encourage full-day attendance up until the end of the exam period. Your support in reinforcing the importance of this with your child is greatly appreciated. Below you can see the provisional plan for year 11 for next week
