

Friday 9th June 2023

Dear Year 11 Parents and Carers,

There will be a series of early finishes next week to support Year 11 in their last full week of exams. Please see the scheduled early finishes below:

Day	Dismissal time
Monday 12 th June	12:40pm (Business studies and Statistic students to remain in school for their exams) History (from 1:30pm) and Maths (from 2:25pm) teachers will provide optional revision session
Tuesday 13 th June	12:40pm (Spanish students to remain in school for their exams)
Wednesday 14 th June	12:40pm (Portuguese & Polish exam students to remain in school for their exams)
Thursday 15 th June	12:40pm
Friday 16 th June	11:40am (Geography students to remain in school for their exams)

These early finishes have been put in place to encourage and support independent study for their upcoming exams. Teachers have and will continue to provide resources to support your child revising at home. Please advise your child to go straight home from dismissal.

From Monday 19th June, the expectation will be that students who still have exams come into school.

Please also continue to ensure your child comes to school each day until their final exam. It is important they are punctual for their exams and access any support from their teachers during their remaining scheduled revision lessons. All students continue to follow a bespoke timetable that reflects their pending exams, which we feel would really benefit your child.

If you have any questions or queries regarding your child, please contact the Year 11 team on the details below:

- Aaron Stewart (Y11 Associate Assistant Principal) – aaron.stewart@clf.uk
- Hardeep Kosal (Y11 Pastoral Support Worker) – hardeep.kosal@clf.uk
